Smitten With Kittens, Inc. VOLUNTEER AGREEMENT

Thank you so much for volunteering with our rescue effort! Since none of us receives a salary or compensation for the rescue work we do, it is important that you know how valuable you are to us.

As a volunteer, you are temporarily caring for or transporting animals under the care of SMITTEN WITH KITTENS. Please keep in mind you are representing us when dealing with the public.

RULES:

- Complete a Volunteer Orientation session.
- Always handle the animals with care and respect.
- Sanitize your hands between handling each animal.
- Treat customers and other volunteers with courtesy, even if you are not receiving the same from them.
- Fulfill assigned tasks to the best of your ability.
- Give notice or find a replacement if you are unavailable for your shift.
- Report any problem to a supervisor.

Our animals are rescued. Some come to us as an owner-surrender, in which case we have a history for the pet. Others come to us as strays; a cat who once had an owner, and for whatever reason, was never able to get back home, or an animal that was born in the streets and has had little human companionship and training.

It is our policy to ensure that each pet is spayed or neutered, tested, brought current on shots, and dewormed before it can be adopted.

We do not get our vet services for free. We pay as everyone else does, and charge an adoption fee to cover our costs for care, food, litter and medical expenses.

TRANSPORTING: If you are asked to transport, cats or kittens should always be secured in a carrier.

ADOPTION EVENTS:

We ask that you exercise caution and common sense when volunteering at adoption events and handling any of the rescued animals. By signing this agreement, you agree and understand that SMITTEN WITH KITTENS, its agents or officers will not be held liable or responsible for damage or injury to personal belongings or persons, whom the rescued animal may injure or damage.

Volunteer expressly agrees to indemnify and hold harmless this organization, and any of its agents, representatives and/or volunteers for and against any and all manner of actions and causes of actions, suits, debts, dues, accounts, bonds, covenants, agreements, judgments, claims, and demands whatsoever arising from or relating to the duties of adoption, placement and/or possession of our pets.

I have read and fully understand this agreement, and I agree to fully abide by all the conditions, promises, terms and covenants I have made. I have read the above information carefully and have filled out this waiver honestly. I hereby agree to abide by the terms and conditions of this agreement.
